

Little Martial Arts at Child Care Centres Terms and Conditions

How the program works

This is a “non contact” program designed to build confidence in young children.

Our aim is to instil good martial arts basics like stances, correct punching and kicking techniques, gross motor skills and even using your voice to stay safe. The obstacle courses are changed each week to keep it interesting and fun. We also change our skills focus for the week, which include: Power Punching, Stop Bullies, Balance, Team Work, Combinations, Mind Focus, Safety Fall and Speed Kicking.

How the memberships work

Ages 3-5 only. Maximum of 12 in any given session. We take new members all year round.

Sign on specials

We always offer a free introductory session and there’s usually some sort of giveaway for new sign ups, which will be advertised on the website.

How to sign on

All sign ups are via the website at www.littlema.com.au/childcarecentres

Payments

The payments are \$11 per week billed fortnightly through Ezidebit.

Debits come out on Mondays.

There are no hidden charges, there is no fixed term. Cancel or suspend anytime.

Cancellations / Suspensions

We require at least one weeks notice in writing to office@littlema.com.au for suspensions or cancellations. You can suspend for a minimum of one week.

Please note that we cannot issue refunds for late cancellation/suspension requests.

Holidays / Sick Days / Make up sessions

Our program runs from the start of February and finishes up at the end of December.

Payments will automatically re-start in February following the Christmas break, unless we receive notice in writing from you to cancel the membership.

In the case that a public holiday falls on your training day you will not be charged for that day.

In the case that the trainer is unable to attend your session, you will be given notice and not charged for that session.

In the case that your child becomes suddenly ill and you were unable for that reason to give us a weeks prior notice in writing, we will offer you a make-up session at one of our local LMA centres. Make up sessions need to be taken within a week of the missed session.

Trainers Qualifications

Each trainer has undergone extensive training via the Little Martial Arts “Train the Trainer” program.

Each trainer has first aid.

Each trainer has a Blue Card (Working with Children)
